Message: i realize that the governor may not see this, but he and i served as presidents of our respective state chapters of phi beta lambda. he may not remember me, but i was impressed with him and especially when he was elected the national president. i have been meaning to write to him to let him know how proud i was when i heard he was elected governor of mississippi. i know he is very busy but i would appreciate him getting this and possibly getting an e-mail or letter back. good luck and congratulations mr. governor on all your accomplishments. with warm regards eric lindsey
